- ❖ Saturday (September 6): Fair weather is anticipated in Voinjama and its environs.
- ❖ Sunday (September 7): Fair weather is anticipated in Voinjama and its environs during the morning hours; however, the evening hours will experience intense rainfall.
- ❖ Monday (September 8): Heavy rainfall is anticipated in Voinjama and its environs.
- ❖ Tuesday, Wednesday, Thursday and Friday (September 9-12): Moderate rainfall is expected in Voinjama and its environs during the morning hours; however, the evening hours will experience increase in rainfall.

Note:

The anticipated rainfall may cause localized flooding, particularly in low-lying and flood-prone areas. It may also create conditions favorable for mosquito breeding, increasing the risk of malaria cases in some regions. Residents are strongly advised to take the following precautions:

Stay informed by regularly monitoring official weather updates from the Liberia Meteorological Service (LMS) and other trusted sources such as:

- ✓ National Disaster Management Agency (NDMA)
 - ✓ Liberia National Red Cross Society (LNRCS)
 - ✓ Local radio and television stations
 - ✓ Other recognized emergency communication platforms
-
- ❖ **Carry rain gear** like an umbrella, a raincoat, and waterproof footwear to stay dry and safe during sudden downpours and on slippery surfaces.
 - ❖ **Ensure proper drainage** by clearing gutters, culverts, and other drainage systems around homes and communities to reduce water accumulation and minimize flood risks.
 - ❖ **Protect your health** by taking antimalarial medications as prescribed or recommended by healthcare professionals, especially if you live in or plan to travel to high-risk areas.
 - ❖ **Reduce mosquito populations** by fumigating your homes and surroundings to prevent the spread of malaria and other vector-borne diseases.
 - ❖ **Maintain a clean environment** by eliminating ponds, properly disposing of waste, and keeping surroundings free of debris.
