

Moderate rainfall expected along the coast counties of Liberia (Dec 2, 2025)

Urgency: Expected

Severity: Moderate

Certainty: Likely

Issued:

Tue 02 Dec 2025
16:21

Effective:

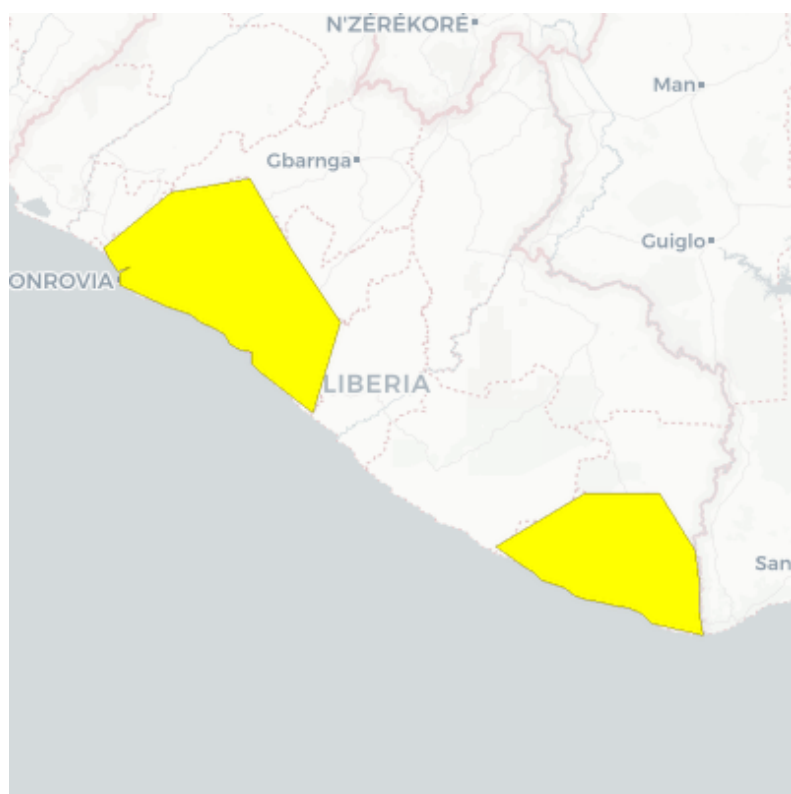

Tue 02 Dec 2025
16:00

Onset:

Tue 02 Dec 2025
16:00

Expires:

Tue 02 Dec 2025
19:00

Area:

Montserrado, Margibi and Grand Bassa, Maryland and Grand Kru

Description:

Moderate rainfall is expected along Liberia's coastal areas over the next 15–20 minutes. Montserrado, Margibi, Grand Bassa, and Maryland and Grand Kru counties may experience brief rainfall. These activities may reduce visibility on both roads and at sea. Localized waterlogging and minor disruptions to coastal and marine activities are possible.

Instruction:

Seek shelter indoors during the rainfall. Exercise caution when driving; reduce speed and turn on headlights. Avoid low-lying or water-logged areas. Mariners should navigate with caution due to reduced visibility and possible minor disruptions.
